

Beam Clamps

Information

Beam clamps are fixed lifting attachments, used for a straight lift only. Both eye type and pin type clamps have a capacity range from 1 ton to 10 tons. Beam clamps with a 20-ton capacity are available on request.

W.L.L.	Adjustable Opening		Width	
	A		B	C
	Min	Max	Max	
Ton	mm	mm	mm	mm
1	50	180	160	75
2	75	250	200	85
3	100	320	255	95
5	100	365	300	100
10	200	500	350	165
