

Endless Cable Ties black with Separate Head and Spacer

Information

- Made of very strong Polyacetal (POM)
- System consists of endless strap, spacers and heads
- Head includes stainless steel pawls for a proper fixation
- Very secure fixing and good resistance to ageing and UV light
- Suits any bundle diameter and reduces inventory

Base Data

Application	These robust cable ties are particularly suitable for use with larger diameter cables, pipes and hoses. Designed originally for securing overhead catenary and cables, they are now used in many industries from the building sector, through to the chemical industry, to the installation of signs for traffic management. Separate spacers allow for a defined distance when bundling in parallel.
Colour	Black (BK)
Content	50 Spacer
Fixation Method	2 piece
Identification Plate Position	none
Material	Polypropylene (PP)
Material Head	Polyacetal, UV-stabilised with stainless steel pawl (POMUVSS)
Pack Cont.	50pcs.
Package Content packed in	bag
PART DESCRIPTION	EL-TY (TELS-SPK2)-PP-BK
Part No.	11132000
Product Family	EL-TY-Series
Product Group	Endless cable ties with separate head and spacer

Releasable Closure (Yes/No)	No
Tie Closure	steel pawl
Variant	Extended Length

Specifications

CE Certification	No
CSA Certified	No
ELV compliant (Article 4 – 2)	YES
Flammability	UL 94 HB
Hazardous good	No
Operating Temperature – °C	-40 °C to +115 °C
Specifications	
UL Listed (US and Canada)	No
UL Recognized (US and Canada)	No
